ABOUT TECHSUN

Techsun Education Catalyst Pvt. Ltd. was founded in 2018 with the objective of bringing a high-quality technical education system. Techsun's goals are to support educational establishments by organizing enlightening technical programmes and to assist individuals in improving their technical knowledge and expertise. Techsun has a strong fortitude to become an eminent service provider in the educational services sector in the future. Techsun Education Catalyst Pvt. Ltd. is governed by a board of directors with strong determination and expertise in the educational field. Besides, it is being mentored exclusively by pioneer academicians and professionals to achieve its complete potential.

VISION

“Supporting the advancement of technical education in order to mould persons into nation-building professionals”

MISSION

- To support educational establishments in providing high-quality technical education.
- To assist individuals in developing their technical expertise by offering essential support.
- To shape technical professionals for technological advancement and national prosperity.
